**RE: INVASIVE PLANT REMOVAL COORDINATED BY
THE IRON MOUNTAIN CONSERVANCY (IMC)**

Torry Brean

Jim Cooper

The Ramona Community Planning Group (RCPG) would like to express its appreciation for your efforts in planning and leading the cleanup of invasive plants in the Santa Maria Creek. We realize the benefits to the community of keeping the Santa Maria Creek pristine.

Eb Hogervorst

Barbara Jensen

The RCPG also recognizes the cleanup as part of the long term project of establishing the Santa Maria Greenway. The Greenway is part of the 2020 General Plan. It was endorsed by the Board of Supervisors in 2001. It is also shown in the County Trails Master Plan. Completion of the Greenway will be a welcome addition to the trails network in Ramona.

Please keep the RCPG informed of future events and milestones for both the invasive plant removal and any progress made toward establishing the Santa Maria Greenway.
